mima[®]

Funcionalidad - Innovacion

Modelo patentado "Capazo dentro del asiento"

mima incorpora una sistema de funcionalidad patentado en el que el capazo plegado va incorporado dentro del asiento.

Material innovador

Se utiliza por primera vez en este tipo de productos un ligero y moldeable material EVA, revestido en diferentes acabados de poliuretano que permite una rapida y facil limpieza. Como resultado , se obtiene una estetca de lineas simples y puras.

Cuidado y mantenimiento

Limpieza de asiento

Puedes limpiar manchas en el asiento con una esponja húmeda y un jabón o detergente delicado. Deje que se seque completamente antes de plegar o guardar el carrito.

No utilice lejía.

No utilice la plancha.

En determinados climas, las cubiertas y componentes pueden verse afectados por moho. Para evitar que esto ocurra, guarde el producto en una zona bien ventilada y no lo pliegue.

 temperatura max. 30°C

 No utilizar lejía.

 No utilizar secadora

 No planchar.

 No lavar en seco

Limpieza del chasis

Elimine excesos de suciedad y retire el salitre y la arena después de ir a la playa.

Limpíelo con un paño húmedo y un producto de limpieza delicado.

Lubricación de las partes móviles

Lubrique de manera periódica las ruedas, bisagras y otros componentes móviles con un lubricante de silicona. No utilice lubricantes densos ya que atraerá al polvo y arenillas que tienden a obstruir y dañar las partes móviles.

 Siga estos pasos con regularidad para mantener los cochecitos en perfecto estado.

Las telas y los plásticos son muy resistentes, pero la exposición excesiva al sol puede causar decoloración.

Garantía

Your product adheres to current safety requirements and it is guaranteed to be in perfect condition at the time of purchase.

If this product shows signs of fabrication faults during the warranty period (after normal use and following the guidelines laid out in the user manual), please contact the seller.

Warranty conditions:

-The warranty is valid for 24 months starting on the date of purchase. After the warranty period, your authorised Mima service repair centre may charge you a fee for parts and labour to repair your Mima product.

-All product warranties shall not be honoured if presented to a retailer outside of the country where the product was purchased. For the purpose of clarity, this warranty is not world-wide or universal. All costs to repair a product in these circumstances shall be for the cost of the consumer.

-For the warranty to be valid you need to:

1. Provide your retailer with the original receipt.
2. Provide your retailer with a description of the defect.

-The warranty only covers the original owner of the product and cannot be transferred to any subsequent owner.

-The warranty entitles the owner to have the product repaired but not to an exchange or refund.

The warranty is not valid in the following circumstances:

- The product has been modified or repaired by a third party not authorized by mima.
- Corrosion or rust on the wheels and chassis due to extreme environmental conditions, including high humidity, salt spray, ice or snow or due to insufficient maintenance.
- The damage was caused by improper usage or maintenance or due to misuse by the user; in particular, failure to comply with these instructions for use as described in this user manual.
- The damage was caused as the result of an accident or airline/transport damage.
- Normal wear and tear should be expected when this product is used daily.
- The fabric may become discolored or become damaged due to washing or excessive exposure to direct sunlight.
- The damage is the result of overloading (exceeding the maximum weight allowance for the child and any items being carried) on the stroller.
